

# **National Hillclimb Super Series**

The organisers of the 2008 Hillclimb Super Series regrettably advise that for reasons beyond our control the planned series for this year has been cancelled.

It is the intention of the organizers to proceed with the series in 2009 as the spread of interstate dates is looking far more viable.

The soon to be opened Haunted Hills venue in Victoria will be included in the 2009 series. This new venue looks like being an immediate “Must Do” Hillclimb and when combined with the Nations other top venues, the 2009 Super Series looks sensational.

More information on dates, venues, & entry forms will be published early next year.

We appreciate all Hillclimbers across the Nation being patient with the slow development of the series and hope that you will all join us in moving Hillclimbing forward by joining the series in 2009.
